THE PROMOTION # 9811327480

EMT-300 PLUS Multipurpose Electro-Mechanical OPERATING TABLE

Specially designed for C-Arm Image Intensifier

Pursuit of Perfection

OPERATING POSITIONS

Operating table designed to obtain ideal operative posture and to cope with various surgical procedure ranging from microsurgery to general surgery.

SALIENT FEATURES

- ▶ The eccentrically positioned Five section Radio-Translucent Top fixed on heavy duty Stainless Steel SS304 Grade Sheet arms without cross members, to optimize image intensifier accessibility for both A/P and Lateral Exposures.
- ▶ Operating positions of table top i.e. Height adjustment, Back Section, Trendelenburg, Reverse Trendelenburg and Lateral Tilt are quickly and precisely controlled by handheld Remote with symbolic soft touch buttons.
- ▶ Zero position from single Button.
- ▶ Override Control Panel on Column in case of failure of main Remote.
- ▶ Built-in Battery Back in case of power failure.
- ▶ Remote controlled movements are operated by an IMPORTED LINEAR-ACTUATOR to assure smooth and quiet movements.
- ▶ Divided Leg Section with Up/Down and sidewise movement.
- ▶ Interchangeable and detachable Head & Leg sections allow full table length use of image intensifier and use of table in different surgical procedures.
- ▶ Head and Foot section are operated manually.
- ▶ Built-in Kidney Elevator – manually operated.
- ▶ Large perineal cut-out for drainage.
- ▶ A strong and sturdy base incorporating four large 100 mm Twin wheel swivel castors with single lever pedal locking system ensure stability and smooth floor movements.
- ▶ Easy to clean Stainless Steel SS304 Grade Base and Column cover to minimize infection risk.
- ▶ Stainless Steel SS304 Grade Side Rails and Accessories.

TECHNICAL SPECIFICATION

- ▶ Table Top Dimension : Width 520 mm (without Side Rails) Length 1960 mm
- ▶ Height : Minimum 740 mm to Maximum 990 mm (Without Mattress)
- ▶ Head Section : Up 45 degree, Down 90 degree
- ▶ Back Section : Up 75 degree, Down 25 degree
- ▶ Leg Section : Down 90 degree
- ▶ Trendelenburg/Reverse Trendelenburg : 25/25 degree
- ▶ Side Tilt : 20/20 degree

STANDARD ACCESSORIES

- ▶ L-shaped Anaesthetic Frame : One Pc.
- ▶ Lateral Support with Pad : One Pair
- ▶ Shoulder Support with Pad : One Pair
- ▶ Padded Arm Board with strap : Two Pcs.
- ▶ Knee Crutches with Pad : One Pair
- ▶ 50 MM High Density PU Foam Mattress : One Set
