

RELIEF by Advantage Medical Equipments is an affordable yet high quality multipurpose operating table, specially designed for C-Arm Image Intensifier to meet the requirement of different surgery. With its total radio-transparent table top RELIEF is easy to access the entire anatomy of the patient.

SALIENT FEATURES

- ◆ The eccentrically positioned Five section Radio-Translucent table top, without cross members, to optimize image intensifier accessibility for both A/P and Lateral Exposures.
- ◆ Interchangeable and removable Head & Leg sections allow full table length use of image intensifier.
- ◆ Manually foot pedal operated hydraulic system for precise adjustment of table top height.
- ◆ Built-in-Kidney Bridge and large perineal cut-out for drainage.
- ◆ Precise and easy to operate gear system for smooth and accurate table movements.
- ◆ All the operating position including Trendelenberg, Reverse Trendelenberg, Lateral Tilt, Back section, Lithotomy, Chair and Break-back etc. can be obtained from either side of the table by working different handles.
- ◆ A strong and sturdy base incorporating four swivel castors with independent locking system ensures stability and smooth floor movements.
- ◆ Easy to clean Stainless Steel base and column cover to minimise infection risk.
- ◆ Stainless Steel side rails and accessories.
